ROADS & PARKING BY THE CLUB - Please remember if you need to park on the road there are a number of restrictions around the club, including NO parking in front of the Ambulance entry gate (Liverpool cres) and the bus stops (Gloucester Ave). During the playing season we are fortunate to have use of the Salisbury East High School car park (Gloucester Ave) opposite clubrooms. We encourage you to park in there on game day to reduce the hazards of street parking.

Gloucester Ave is 50kph except when children are present between the marked school zones when it drops to 25kph.

The zones are effective regardless of whether it is school hours or not so please watch your speed.
